Life Story It was a liberated marriage We shared the household chores of course We understood each others feelings Right down to the day of our sensible divorce

Life Story Quotes (104 quotes) - Goodreads
"All of life is a story," Madeleine L'Engle reminds us. This is helpful to know. When it comes to figuring out this life you're living, you'd do well to know the rest of the story. You come home one night to find that your car has been totaled. Now, all you know is that you loaned it for a couple of hours to your teenage daughter, and now here ...

Interesting. I think this is a piece of mystery of life. I know I find this story contradict with my religion because there is no such "reincarnation" thing. But i feel like it make sense to me. I am "different" from my friends. I am not into technologies, hedonistic life, or whatever they do nowadays.

This sensitively-told story for readers of all ages illustrates the inseparability of life and death. Rosy-cheeked and wrapped in blue, with a flower in her hair, Death rides a pink bike. Death, a greeneyed little girl in this pastel world, visits small animals with soft fur and big animals with ...

The act of writing my life story serves as a spiritual dismemberment undertaken to reconfigure and reconstitute my essential being. Perhaps this anatomical deconstruction of a delusional self represents a talisman-like step in attempted self-healing. Alternatively, perhaps this megalomaniac manuscript, which amplifies my psychopathic condition ...

Life Story Lyrics - Closer Than Ever musical

If that story had been lost to my family over the years, I would have regained a knowledge of my great-great grandfather Boyter that day thanks to the diligence of life story preservation of the long line of descendants of James Boyter. In this case both sides of the family had held on and had perpetuated the story down through the years.

The point is more general. It concerns all parts of life, life's 'great shambles', in the American novelist Henry James's expression. This seems a much better characterisation of the large-scale structure of human existence as we find it. Life simply never assumes a story-like shape for us. And neither, from a moral point of view ...

My father-in-law used a similar book in the '90s to document his life story. We did not find the book until after his passing. The book is the most cherished gift by my child from their Grandpa Hugo. Nothing significant or profound about his writings, they love to review and think about him. I plan not to overthink the process and write.
