Docklands Design and Construction Standards

London Docklands, area along the River Thames in London. It covers nearly 9 square miles (22 square km) of riverfront centred on the boroughs of Tower Hamlets, Newham, Southwark, Lewisham, and Greenwich. The Docklands area was for centuries the principal hub of British seaborne trade. In the latter

London Docklands | area, London, United Kingdom | Britannica

London Docklands is the riverfront and former docks in London. It is located in inner east and southeast London, in the boroughs of Southwark, Tower Hamlets, Lewisham, Newham, and Greenwich. The docks were formerly part of the Port of London, at one time the world's largest port. After the docks closed, the area had become derelict and poverty-ridden by the 1980s.
