Long Live The King The

"The king is dead, long live the king!", or simply "long live the king!" is a traditional proclamation made following the accession of a new monarch in various countries. The seemingly contradictory phrase simultaneously announces the death of the previous monarch and assures the public of continuity by saluting the new monarch. In modern times, this phrase has become a popular phrasal template. Given the memorable nature of the phrase, as well as its historic significance, the phrase crops up r
