machine shops in Colorado (CO), CNC machining

The Machine Shop labs, occupying 6,000 sq. ft. on the first floor of Castleman Building, are equipped with state-of-the-art metal, plastic and woodworking machinery valued in excess of \$1 million. Many machines are computerized or CNC-controlled and boast CAD/CAM interfaces. The Scho ...

Engineering Machine Shop | College of Engineering

Many of our finest Manufacturers and Machine Shops have closed their doors because of the lack of support from our own government. Professional politicians with little or no business experience have taken their toll on our industry. Our web site directory started on July 4th 2000 and many of our friends have closed their doors since then...
