Online Library Making Americans Immigration Race And The Origins Of The Diverse Democracy

Issue—And How

Immigrant origins now differ drastically, with European, Canadian and other North American immigrants making up only a small share of the foreign-born population (13%) in 2018. Asians (28%), Mexicans (25%) and other Latin Americans (25%) each make up about a quarter of the U.S. immigrant population, followed by 9% who were born in another region.

Making Americans Immigration Race And The Origins Of The ...

The history of migration and immigration in the United States is one of the dominant forces shaping our experience of race today. While immigration for “white” Europeans has, for the most part, led to a smooth welcome into dominant society, immigrants who are people of color face a more difficult path to acceptance, much less belonging, in our nation.
