The aesthetic of the magical conflict between light and dark came through at times, but was perhaps not focused enough to make a lot of sense through odd costuming and characterization. That being said, who says magic has to make sense? I appreciated the flamboyance and the reimagining of A Midsummer Night's Dream in a new and unique way. All the performers involved each got at least one moment to really shine in the spotlight, and as a complete production, this piece of theatre was ...
