Mapping the Political Landscape 2005 Foreword This book uses a variety of data bases, research methods and analytical tools to examine trends in partisanship and voting in the United States. It has three sections. They each stand alone but they also complement one another to create what we believe is a richly textured portrait of the American electorate.

Mapping the Political Landscape 2005 - Pew Research Center

Mapping the political terrain To address these challenges, we need to chart the political terrain, which includes four metaphoric domains: the weeds, the rocks, the high ground, and the woods. Each...

The 4 Types of Organizational Politics

Map your political terrain Mapping your terrain begins with anticipating how your stakeholders— anyone who has an interest in or who would be affected by your idea— might react. Expect resistance.

Sharpen Your Political Competence

Mapping the Political Landscape For a political junkie, the 2008 election is an embarrassment of riches. Not only do you have an historic presidential election between two candidates with very different but equally compelling life stories, but there is a slew of intriguing downballot contests as well.
