Marketing Places: Attracting Investment, Industry, and ...

Today's headlines report cities going bankrupt, states running large deficits, and nations stuck in high debt and stagnation. The book argues that thousands of 'places', cities, states and nations are in crisis and can no longer rely on national industrial policies as a promise of jobs and protection. Places must, like any market-driven business, become attractive 'products' by improving their...

Marketing places: attracting investment, industry, and ...

Today's headlines report cities going bankrupt, states running large deficits, and nations stuck in high debt and stagnation. Philip Kotler, Donald Haider, and Irving Rein argue that thousands of "places" -- cities, states, and nations -- are in crisis, and can no longer rely on national industrial policies, such as federal matching funds, as a promise of jobs and protection.
