Medical Malpractice A Physicians Sourcebook

In some cases, it is up to the doctors to self-report problems, and malpractice is one thing they'll be least likely to divulge. The best source of information is the state medical licensing board, although you will need to check each state where the doctor had practiced.

How to Check Out a Doctor for Medical Malpractice

In this book, we look in detail at contemporary medical malpractice litigation. We review its history, examine medical malpractice insurance (which has become a virtual necessity to protect physicians and indemnify injured patients), discuss specialty-specific issues, and, finally, explore alternatives to the current system.
