A. Christ uses people to meet the needs of people. John does not specifically state what the other gospels state, that Jesus used the disciples to distribute the bread and fish to the people. But he does show how Jesus involved Philip and Andrew and it's only from John that we learn that the five loaves and two fish came from a boy's lunch.

Understanding children's needs and taking care of those needs can be very challenging at times. One reason is that as parents and caregivers, we are more aware of our own needs than that of the children's. For instance, we may get upset when our child gets sick just as we are going to work or to a meeting.
