My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for.

Mental Disability And The Criminal
Criminal Justice . People with mental illness experience higher rates of incarceration, disproportionate shares of prison populations and a lack of access to mental health treatment during incarceration. After being booked into jail, people with SMI stay 2-3 times longer in pretrial and face longer sentences. They are less likely to make parole and more likely to cycle through the system or die by suicide.
