~~METASKILLS — MARTY NEUMEIER~~

~~It weighs her strengths against each another, showing which of the five metaskills are her “go to” talents, the skills she leans on while doing creative work. Therefore, a low percentage in a particular talent doesn’t necessarily mean she has little skill in that area, but that she may simply rely more on her other talents.~~

~~Metaskills: Five Talents for the Robotic Age [Book]~~

~~These are three of the 10 existential questions superimposed over the full-page photographs that Marty Neumeier chose as the opening for his new book, Metaskills: Five Talents for the Robotic Age. Neumeier, director of transformation for brand consultancy Liquid Agency and publisher of the seminal but now-defunct design magazine Critique , thinks that this is a particularly apt time to pose such questions.~~
