Michael G. Manning - Book Series In Order

This latest book is the best one yet. It was filled with all the best things about reading. Mordecai will take you through the entire range of emotions. You will celebrate triumph, laugh at the humorous dialogue (Chad is a favorite of mine), grit your teeth through strife, and yes you will cry with the tragedy.

Mordecai The Riven Gates Book

Mordecai is a seriously broken man, with unworldly powers, balancing and managing (albeit barely) to keep everything around him in motion and in check throughout the prior books. In this book, he loses his balance as well as other things and people around him. The book manages to keep you off your feet for the 2nd half, and surprises in many ways.

In The Riven Gates series, Mordecai is shown as a grown-up, following the events set in the time period after this series. Some of the important characters created by Manning for the Mageborn series include Duke of Lancaster, Mal'goth, Celior, and several others. The debut book of this fantasy series is entitled 'The Blacksmith's Son'.
