~~My Left Foot Movie Review—commonsensemedia.org~~

The book "My Left Foot", was one of the best books I have read. It tells the life story of Christy Brown and how he still lived his life while his little body was twisted with a disease.

~~My Left Foot movie review & film summary (1990) | Roger Ebert~~

My Left Foot received very positive reviews. Critic Roger Ebert gave the film four stars out of four and stated, "My Left Foot is a great film for many reasons, but the most important is that it gives us such a complete picture of this man's life. It is not an inspirational movie, although it inspires.

~~Christy Brown: The Tragic Ending They Left Out of 'My Left ...~~

I am trying to imagine what it would be like to write this review with my left foot. Quite seriously. I imagine it would be a great nuisance - unless, of course, my left foot was the only part of my body over which I had control. If that were the case, I would thank God that there was still some avenue down which I could communicate with the world.

~~My Left Foot (book)—Wikipedia~~

Christy Brown was an Irish artist and writer. However in order to do both these things he could only use his left foot. Having been born with cerebral palsy this was the only

~~My Left Foot—Wikipedia~~

In MY LEFT FOOT, Christy Brown (Daniel Day Lewis) looks back on his life, which began in 1930s Dublin when he was born with cerebral palsy into a large, working-class family. Not expected to survive long, and largely written off as mentally and physically challenged, Christy finds a way to show the world, through painting and later writing, that his mind and heart are just like anyone else's.
