2008-2020 Renault Kangoo Service Minder Spanner Light Reset

I am hoping you can help me. I am trying to reset the service indicator "flashing spanner" on my 11 plate Nissan Note, 1.5 dCi. I had it serviced at a local garage who said that they couldn't work out how to do it. I can't find anything in the manual and all of the answers I get from the internet seem to be for the older model. Keep up the good work, reading your website virtually every day is ...
