### **Nurtureshock New Thinking About Children**

One of the most influential books about children ever published, Nurture Shock offers a revolutionary new perspective on children that upends a library's worth of conventional wisdom. With impeccable storytelling and razor-sharp analysis, the authors demonstrate that many of modern society's strategies for nurturing children are in fact backfiring--because key twists in the science have been overlooked.

### **NurtureShock: New Thinking About Children: Po Bronson ...**

NurtureShock: New Thinking About Children reminded me of a Malcolm Gladwell book in both good and bad ways. Surprising and fascinating information on the one hand; on the other hand,

overstated conclusions with inadequate support.

### **NurtureShock: New Thinking About Children by Po Bronson**

NurtureShock: New Thinking About Children - Kindle edition by Bronson, Po, Merryman, Ashley. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading NurtureShock: New Thinking About Children.

### **NurtureShock: New Thinking About Children - Kindle edition ...**

NurtureShock does more than state the obvious about child raising, it enlightens the reader that our impulse about children can completely off track. It opened my eyes to what children learn from different situations. Many parents think they are doing the right thing because that's what they are used to.

### **NurtureShock: New Thinking About Children by Po Bronson ...**

NurtureShock: New Thinking about Children by co-authors Po Bronson and Ashley Merryman is a work of non-fiction structured as a series of distinct chapters about old science or research done on child development, and the way that new research undermines or overrides this old way of thinking. The book takes on subjects such as the faulty practice of testing children for abnormally high intelligence in kindergarten, racial issues and the formation of an understanding of race and racism, and ...

The authors relate recent scientific findings to argue that some of the conventional wisdom about parenting and child development is a combination of “wishful thinking, moralistic biases, contagious fads, personal history and old (disproven) psychology...”

### **Review and Summary of NurtureShock: New Thinking About ...**

Namun, seperti yang kami jelaskan dalam buku kami “NurtureShock: New Thinking About Children,” sains terbaru menyimpulkan bahwa peran utama orang tua adalah tidak mendorong sejumlah besar bahasa ke telinga anak-anak. Sebaliknya, peran utama orang tua adalah memperhatikan apa yang datang dari anak dan meresponsnya.
