Young readers will love learning with On Beyond Bugs: All About Insects. This non-fiction title, published first in print in 1999, was created to give children ages 5-8 the chance to explore the fascinating world of insects with a familiar tour guide, The Cat in the Hat. The learning library series was created in the late 1990's by Random House with a talented team of illustrators, writers & educators, who mimic Seuss's rhyming verse and quirky illustrations beautifully.
