Home | Business | The ultimate guide to generating passive income from real estate. Summary List Placement. Investing in real estate is a great way to generate passive income, not least because there's more than one way to do it. The goal of passive-income generation is to create an income stream for an investor that is inherently, well, passive, with the investor not having to do much after the initial outlay to keep the money coming in.

The ultimate guide to generating passive income from real ...

Tresidder defines passive income as, most simply, "income that comes in without regard to your time." But — and this is a big "but" — it's not mailbox money; it's not money that just appears. He also calls it "lagged income." "Often in passive income, you have to commit the time and energy up front," he says.
