Performance Study Of The Law

Performance, in law, act of doing that which is required by a contract. The effect of successful performance is to discharge the person bound to do the act from any future contractual liability. Each party to the contract is bound to perform promises according to the stipulated terms. In case of any controversy as to the meaning of a promise, the courts have usually decided that a person must perform it as the other party reasonably understood it to be.

Performing the Law: A Study of Performance in the Court of Law This thesis analyses what performance is and what it does in the court, drawing from theatrical performance. In it, I argue that performance plays a constitutive role in the court, that law and performance are intimately entwined and that law is reliant on performance for its production.

Performing the Law: A Study of Performance in the Court of Law

Lawyers in the early and middle-stages of their careers are caught in the shifting currents of law's transformation. Legal knowledge is becoming a skill to be leveraged with new competencies.

What's A Lawyer Now? Law's Shift From Practice To Skill

Studying smarter, not harder, is the key to success when studying law. The field of law provides such a diverse and vast opportunity for knowledge acquisition that there simply aren't enough hours in the day to learn and do it all. As a student of law, part of your job is to determine how and where you'll allocate your efforts to maximize your success in your classes and to position yourself for a job offer following graduation.
