### Physical Diagnosis In Neonatology

Physical Diagnosis in Neonatology is divided into four sections, each of which in turn is divided into subsections. Each subsection starts with a short description of a stage of embryologic development, which is illustrated with a color cartoon.

### Physical Diagnosis in Neonatology: Fletcher MD, Mary Ann ...

In the practice of neonatal medicine, as our technological capabilities as a group have advanced, our physical diagnostic skills have retreated. This malady is not unique to neonatal medicine. Training a group of excellent pediatric diagnosticians whose skills are supplemented by the current capabilities of medical technology is an urgent need for our subspecialty.
