Physicals | MedExpress

In 2012, the Department published a physical examination form which is to be used for both private and school physical examinations. This form is more comprehensive than previous forms because it includes an extensive medical history. Schools may accept exams on the private physician's own form as long as it is comparable to the DOH approved form.

Physical Exams - Department of Health

Sports physicals consist of two parts: a medical history and a physical examination. The goal of sports physicals is to evaluate an athlete's general health, current fitness level, risk of injury, and physical well-being. Sports physicals are recommended for students and adults that are taking part in: School or interleague sports programs
