Wincor Nixdorf Beetle SII Plus G41 | ScanSource POS and ...

Wincor Nixdorf is a US-based multinational company that is renowned by its signature excellence in business-grade technology and electronics, specifically in Point-of-Sale (PoS) terminals. While it achieved a high degree of success on its own, its fateful merger with Diebold Incorporated—another PoS developer and manufacturer—cemented its place as a household name when it comes to business ...
