Poststructuralism & International Relations: Bringing The...

Poststructuralism encourages a way of looking at the world that challenges what comes to be accepted as 'truth' and 'knowledge'. Poststructuralists always call into question how certain accepted 'facts' and 'beliefs' actually work to reinforce the dominance and power of particular actors within international relations.

Poststructuralism & international relations - bringing the...

Poststructuralist philosophy had been a main feature of the Humanities since the 1970s and now - with the time lag with which academic vogues usually hit International Relations - making its way into Security Studies. Poststructuralism's concern with power, structures, and the disciplining effects of knowledge seemed to resonate well with core themes in classical realist Security Studies.

Post-structuralism - Wikipedia

Professor Sir Steve Smith uses the example of the Syrian civil war to explain how IR theories paint different pictures of reality. For more on applying International Relations theory see The ...

Is Poststructuralism a Useful IR Theory? What About It...

Post-structuralism is either a continuation or a rejection of the intellectual project that preceded it—structuralism. Structuralism proposes that one may understand human culture by means of a structure—modeled on language (structural linguistics)—that differs from concrete reality and from abstract ideas—a “third order” that mediates between the two.

Post-structuralism as a Theory of International Relations...

It states that "Every understanding of international politics depends upon abstraction, representation and interpretation". Scholars associated with post-structuralism in international relations include Richard K. Ashley, James Der Derian, Michael J. Shapiro, R. B. J. Walker, and Lene Hansen. Post-modernism
