Private equity accounting and regulatory trends: PwC

Developed by the Invest Europe Working Group on Accounting Standards, Valuation and Reporting, under the auspices of the Professional Standards Committee, the Investor Reporting Guidelines are an integral part of the Invest Europe Professional Standards Handbook. They incorporate the key elements of best practice reporting to investors by private equity managers.

Investor reporting | Invest Europe

The equity accounting method seeks to reflect any subsequent changes in the value of the investee business in this investment account. For example, if the investee makes a profit it increases in value and the investor reflects its share of the increase in the carrying value shown on its investment account.
