PUBLIC FINANCE REFORMS IN KENYA

Public finance is the management of a country's revenue, expenditures Expenditure An expenditure represents a payment with either cash or credit to purchase goods or services. An expenditure is recorded at a single point in time (the time of purchase), compared to an expense which is allocated or accrued over a period of time.

Public Finance - Overview, Example, How Government Finance ...

(April 2018) - We study the impact of post-1990 school finance reforms, during the so-called "adequacy" era, on absolute and relative spending and achievement in low-income school districts. Using an event study research design that exploits the apparent randomness of reform timing, we show that reforms lead to sharp, immediate, and sustained ...
