12 Tips For Public Speaking - Forbes

Public speaking is the process or act of performing a speech to a live audience. Public speaking is commonly understood as formal, face-to-face, speaking of a single person to a group of listeners. However, due to the evolution of public speaking, it is modernly viewed as any form of speaking between an audience and the speaker. Traditionally, public speaking was considered to be a part of the art of persuasion. The act can accomplish particular purposes including to inform, to persuade, and to
