The blues are important primarily because they contain the cultural expression and the cultural response to blacks in America and to the situation that they find themselves in. And contained in the blues is a philosophical system at work. And as part of the oral tradition, this is a way of passing along information.

This is shit-brained, this kind of thinking. That is all cultural diversion, and what is real is you and your friends and your associations, your highs, your orgasms, your hopes, your plans, your fears. And we are told 'no', we're unimportant, we're peripheral. 'Get a degree, get a job, get a this, get a that.'

1000 Cultural Quotes - Inspirational Quotes at BrainyQuote
For, as Metzger puts it, quotation is a 'cultural agent' (p. 3); in other words, quoting means positioning oneself, confirming the authority of the quotation and hence one's own historical lineage from it, or undermining it, there being no such thing as a semantically and ideologically neutral quotation.

Quotation and Cultural Meaning in Twentieth-Century Music
Culture makes people understand each other better. And if they understand each other better in their soul, it is easier to overcome the economic and political barriers. But first they have to understand that their neighbour is, in the end, just like them, with the same problems, the same questions.
