Railsea is a young adult novel written and illustrated by English writer China Miéville, and published in May 2012. Miéville described the novel as "weird fiction", io9 labelled its mix of fantasy and steampunk elements as "salvagepunk" and the story has been seen as an "affectionate parody" of Herman Melville's classic novel Moby-

As usual, China Mieville's prodigious and unique imagination has conjured an impossible world, one which nods towards the world we know, but whose connection for the reader is forever tenuous and flitting. The biggest difference in this one from previous offerings would be in the development of characters - there is a feel of lack of time
