With a collection of more than 45,000 free e-books, Project Gutenberg is a volunteer effort to create and share e-books online. No registration or fee is required, and books are available in ePub, Kindle, HTML, and simple text formats.

Red Hat Ceph Storage

Red Hat® Ceph Storage is an open,

File Type PDF Red Hat Ceph Storage

massively scalable, simplified storage solution for modern data pipelines.

Engineered for data analytics, artificial intelligence/machine learning (AI/ML), and emerging workloads, Red Hat Ceph Storage delivers software-defined storage on your choice of industry-standard hardware.

Red Hat Ceph Storage
