Redefining Geometrical Exactness: Descartes' Transformation of the Early Modern Concept of Constructi by Henk J. M. Bos 9781461265214 (Paperback, 2012) Delivery US shipping is usually within 10 to 14 working days.

**Redefining Geometrical Exactness - GBV**

He then analyses how Descartes transformed geometry by a redefinition of exactness and by a demarcation of geometry's proper subject and procedures in such a way as to incorporate the use of algebraic methods without destroying the true nature of geometry.
