David Ray Griffin - Wikipedia

This article is critical of the Infusion of pseudo-spiritualities in the form of non-legitimised indigenous wisdom and activities in environmental education. Drawing on a definition of true ecospirituality, the doctrine of the world soul, a teaching from western traditions, is presented as a viable alternative in the search for re-enchantment.

Sacred Interconnections illustrates the rejection of the modern idea that these subjects can be discussed as separate disciplines. While the term "postmodern" has been widely used for deconstructive, cynical, even nihilistic attitude, especially in the world of art and literature, the book represents the emergence of a reconstructive, reenchanting postmodernism, even within the artistic and literary circles.
