Scourge : the once and future threat of smallpox : Tucker ...

The Once and Future Threat of Smallpox. by Jonathan Tucker. "A well-written, informative history of the eradication of smallpox disease. The author's authoritative command of the intrigue surrounding the 'stay of execution' of the virus itself and its potential use as an agent for biologic warfare makes the latter portion of the book read much like a modern spy thriller, one that is difficult to put aside as recent events continue to unfold. . . .
