Language B guide 1 Introduction Purpose of this document This publication is intended to guide the planning, teaching and assessment of the subject in schools. Subject teachers are the primary audience, although it is expected that teachers will use the guide to inform students and parents about the subject.

~~Learning and Teaching Spanish - ThoughtCo~~
Most Spanish pronunciation guides are really only about pronunciation rules for the language. They tend to fall short of teaching you how to actually hear and pronounce said sounds. Here at The Mimic Method, we think this latter part is even more important than just recognizing the location of a sound in word spelling.
