*Why the middle class can't afford life in America anymore*  
Alissa's latest non-fiction book is Squeezed: *Why Our Families Can't Afford America*. Published by Ecco/HarperCollins in June 2018, it "brings together original research and reporting to investigate how the high costs of American parenthood have bankrupted the middle class, and examines solutions that might help families across the country".

*Squeezed Why Our Families Cant*  
Squeezed shows how the high cost of parenthood and our unstable job market got us here and offers surprising solutions for improving our condition. Families today are squeezed on every side—from high child care costs and harsh employment policies to workplaces without paid family leave or even dependable and regular working hours.

*There's a reason why you can't afford to live in America ...*  
Squeezed: *Why Our Families Can't Afford America* By Alissa Quart, 2018 In the introduction to her book Quart overviews the reasons why Families Can't Afford America any longer. Student Loans and Medical Debt are a huge issue for Generation X and Millennials.

"Teachers are killing themselves," Barry says in the new book, "Squeezed: *Why Our Families Can't Afford America*" (Ecco), out Tuesday. "I shouldn't be having to drive Uber at eight o ...

Squeezed: *Why Our Families Can't Afford America: Quart ...*  
Squeezed: *Why Our Families Can't Afford America* provides an in-depth look at two things people all too often shy away from discussing: money and class. The term standard of living, Quart notes, is used less and less, perhaps because 'the notion that a relatively high quality of life should include small pleasures and comforts has faded.' ...
