These stores are built off-site using shipping containers, prior to delivery and installation creating an opportunity for the company to extend into sites not designed for traditional store locations while minimizing the environmental footprint generally associated with net new builds. Through this store typology, Starbucks is able to reuse ...

Starbucks, MOD Pizza to open soon in North Cornwall

Starbucks is a franchise so of course the food and beverage I got was delicious! I got a grande hot chocolate with three vanilla bean scones! The layout of the building is very open! They even have a little nook (side room) where you can go and work. They also have a drive thru! Over all I'm excited about this new Starbucks!
