Get this from a library! Stock market 101 : from bull and bear  
markets to dividends, shares, and margins : your essential guide  
to the stock market. [Michele Cagan] -- "All you need to know  
about buying and selling stocks! Too often, textbooks turn the  
noteworthy details of investing into tedious discourse that would  
put even a hedge fund manager to sleep.

For Coogan, a pullback is a "temporary blip of the peak of the  
market, almost a 'sigh' in upward momentum; it's very short  
term, and you're still continuing up in a bull market." Correction:  
usually a 10% move lower from new highs.
