### Stripped Lulu Com

Stripped is a collection with a twist. Yes, the fiction contained herein includes works from some of the best-known names in flash fiction as well as the work of emerging writers, but the bylines have been removed so you can't tell who wrote what. What's more, the stories hinge largely on gender roles — but with the authors' identities stripped from their stories, editor Nicole Monaghan ...

### Stripped - Lulu

While this book continues my commitment to publishing quality work for the stripper deck, it's not all about the world's most versatile and examinable gaffed deck. Granted, it shows how to use partial stacks to create magic made all the stronger by emerging from a shuffled deck. It also shows how to merge stacks to create full
