~~Welcoming Second Language Learners | Responsive Classroom~~
Over 10 percent of students in the United States—more than 4.8 million kids—are English language learners (ELLs), and the number is on the rise. Though these students do not learn differently than their native-English-speaking peers, they do have particular educational needs. To learn about these needs—and best practices for addressing them—I interviewed a

range of educators and ...

~~ERIC ED444388 Teaching Adult Second Language Learners ...~~

Adults can't reproduce the processes which children use when learning the first and second and third language. Here is why. All leading language learning companies use translation-based tools promising learners that they will memorize vocabulary and phrases with ease.

~~Amazon.com: Teaching Adult Second Language Learners ...~~

It is certainly more fertile than a sterile classroom and I think this is, in my opinion, a very good way of making good progress in 'Second Language Acquisition in Adult Learners'. It builds up their confidence in their ability to use the second language, and they are storing up memories of various places and how they expressed themselves in that situation.
