Teaching Tolerance and Appreciation for Diversity ...

The ideas were grounded in research around contact theory, says Maureen Costello, the director of Teaching Tolerance, in an interview recorded for the Harvard EdCast. “We had a lot of suburban schools that had once been 100 percent white, that were being newly integrated, and the idea was that this was really important in those kinds of places.

Teaching Tolerance ~ Lesson Plans | One World, One Heart ...

A Diversity Issue Exists when... An issue (policy or business practice - formal, informal, internal, or external) has a different impact on a particular group (i.e., impact on men vs. women, black vs. white, American vs. foreign, urban vs. rural, married vs. single, etc.). It happens more frequently to a particular group (i.e., different groups may have

Preparing for Cultural Diversity: Resources for Teachers ...

A compelling teaching and research statement can make the difference between getting the academic job desired and having the profile ignored with dozens of other job seekers. One may not actually be asked to present a teaching statement during the job application process, but the action of writing one will help to clarify one's goals and how to talk about them.
