If you work in a school that use Microsoft Teams or any of the other great Office 365 tools available to teachers and students, you need to subscribe to Mike Tholfsen's YouTube channel. It was through his channel that I recently learned about a fantastic new feature in Microsoft Teams that I wish Google would add to Classroom.

Free Technology for Teachers

LessonCast is a website where experienced teachers submit—via PowerPoint, document, pictures, or web cam—a "lesson idea or management strategy in 2 minutes 30 seconds or less." Each submission is reviewed and vetted by other accomplished teachers, and then shared online. New teachers, or those just looking for new ideas, can then search for the perfect idea for their classroom.

Top 10 Educational Technology Resources - TeacherVision

The use of new technology allows students to be much more creative and participative in the classroom. They prepare a basis of knowledge outside the classroom engaging with all the content in the course, when they arrive to the classroom they share this knowledge with the rest of the
