Century of Progress - Wikipedia

The official title of the 1933 World's Fair in Chicago was A Century of Progress International Exposition. The Fair was organized to mark Chicago's one hundred year anniversary. The mission of the Fair was to demonstrate the significance of scientific and technological discoveries to industry and modern society and how those discoveries were being made.

1933 World's Fair in Chicago | Encyclopedia.com

Over 85 years of wind, sand, and surf have battered the five World's Fair houses located along Lake Front Drive in Beverly Shores, but their uniqueness has weathered the elements. With the theme of a Century of Progress, the houses were built for the 1933 Chicago World's Fair to demonstrate modern architectural design, experimental materials, and new technologies such as central air conditioning and dishwashers.
