The Clan: Play to Live. A LitRPG Series (Book 2) - Kindle ...

It has evolved from sword and sorcery to a world where clan and world building becomes more dominant, securing the main character's position. As I pointed out in my review of the previous book, I really don't feel that the main character is in da This second book in the Play to Live series is a great read, however it is significantly different from the action and adventure we were introduced to in the first book.
