only way to keep it under control is for the Federal Reserve to intervene. Max Keiser says that “The market for Treasury bonds - the thing that keeps America afloat - is again cut dramatically because nobody else wants American Treasury bonds, and then the US ...

The death of the American Empire will come from suicide ...

Five years after Harding's death, Britton published a book, *The President's Daughter*, which scandalised public opinion at the time thanks to revealing intimate details such as the sexual relations that allegedly took place in a coat closet in the executive office of the White House. The shock was so great that it was even speculated that the president's death had to do with his infidelities ...

Mourning the Death of the American Dream

'The Death of American Virtue' is littered
with victims caused by over-zealousness
and distrust. Though most of the
individuals are treated fairly and given
room by the author to come to there
own defense, there are some of these
folks who are admirable, others are
odious human beings, and a few people
that are intellectually a few fries short of
