Dream Workbook: "The following pages are for the reader's personal use. They suggest various methods which can be used in your own journals, and for your own private interpretations." (Bell) Nearly every book about understanding dreams suggests a dream journal; it is the flow of life. This is an excellent addition to my dream dictionary collection.

The Complete Dream Dictionary: A Practical Guide to ...

Dream Workbook "Dreams are necessary to life." -Anais Nin Life is but a dream. And you can dream (and create) anything in the world you want. You do create your own reality. Whether you fully believe it or not, whether you like it or not, it is the way the universe works. Quantum physics has scientifically proven this fact.
