A fixer is a person who carries out assignments for someone else or who is good at solving problems for others. The term has different meanings in different contexts. In British usage the term is neutral, meaning "the sort of person who solves problems and gets things done". In journalism, a fixer is a local person who expedites the work of a correspondent working in a foreign country.

The Fixer is an evil mechanic who helped rebuild XL. He appeared in the episode "The Return of XL" and the Buzz Lightyear of Star Command video game. Either overweight or covered in padding, the Fixer is by no means a small individual. He has mint skin and blue hair. He also has a thick, scraggly beard beneath his green lips and a full face with dark bags under his eyes.

Fixer (person) - Wikipedia

The rest is explained by story ideas that just aren't strong enough. To the surprise of many, there are criteria for that, as well. Storyfix offers a deep dive into each facet of the storytelling proposition—including how to strengthen your story idea—which you can apply to your writing process, whatever that might be.
