A Grown-up's Guide to Intuition. Intuition is an especially important tool for multipotentialites. But how do you figure out what that little voice in your head is saying? By Kristin Wong "What's your gut telling you?" my friend asked years ago when I was mulling over a job offer.

The Grown-Up's Guide to Teenage Humans: How to Decode ...

Now, in The Grown-Up's Guide to Teenage Humans, Shipp shows all of us how to be that caring adult in a teenager's life. Stressing the need for compassion, trust, and encouragement, he breaks down the phases of a teenage human from sixth to 12th grade, examining the changes, goals, and mentality of teenagers at each stage.

The Grown-Up's Guide to Music Festivals | Next Avenue

But going on an adventure is not always the answer; and it's not always feasible, especially for "grown-ups." Once we grow up and find ourselves with a home and a family, dropping everything to travel around the world on a soul-searching trip can be impossible—and might do more harm than good.
