"Encyclopedia" is a misnomer for The Kingfisher History Encyclopedia since it is arranged in chronological rather than topical order. Beginning with pre-history, it presents a new topic for every two-page spread. While students might read it through cover-to-cover, I suspect that it will more likely be used as a reference volume as you try to correlate events and find information about ...

The Kingfisher History Encyclopedia: We use the Kingfisher as part of our Story of the World History text. Many of the reviews posted have mentioned that the book is very, very brief in each of the historical eras that it presents. I would agree that it is very limited, I don't know if I would have purchased it after using it for half the year.
