

## The Loch Steve Alten

### The Loch Steve Alten

Incorporating the latest research and “new evidence,” that leads to real answers concerning the monster’s identity, best-selling author Steve Alten weaves a tale of horror about the most publicized and controversial creature ever to exist. The Loch - Book Trailer - From Author Steve Alten - YouTube.

### The Loch | Steve Alten

Outside of his very popular "Meg" series, The Loch is arguably Steve Alten's most well received book, garnering good reviews from the majority of people who have read it. It certainly has an interesting plot and enough going on to hold your attention but unfortunately there are also quite a few faults with his writing.

### The Loch by Steve Alten - Goodreads

This is a really enjoyable book written by Steve Alten (who wrote the book The Meg which was turned into a movie). The book now sits in our holiday let Glen Muir Lodge in the Highlands, which is only 15 minutes drive from Loch Ness, so the book is VERY cool for our guests to read on their hols as it will add a further dimension to when they drive up to Loch Ness and gaze into the murky depths!!!

### Amazon.com: The Loch (9780765363022): Alten, Steve: Books

### The Loch - Wikipedia

“The Loch is a compelling page-turner. I couldn't put it down. Steve Alten has proven to be a literary master of the abyss.” —Owl Goingback, Bram Stoker Award-winning author of CROTA “A fast-paced thriller...Alten gives a scientific twist to an old, enduring myth...Michael Crichton meets Dan Brown beneath the waves of Loch Ness.”

### The Loch by Steve Alten, Paperback | Barnes & Noble®

Alten tries to turn the area around Loch Ness into America V2. Not only is the concept of the death penalty utterly ridiculous and not rooted in reality, the characters make reference to American things. For example, Brandy says she is taking "correspondence courses from the local college."

I loved the Meg series and really love this one. I hope to listen to more of the great tales. These characters are great and loved the crossover that is happening in Vostok and Meg 5. Steve Alten is a wonderful story teller. Keep up the great work! The education you learn on Scotland is quite amazing as well.

### **The Loch by Steve Alten | Audiobook | Audible.com**

In the spring of 2003 I presented these theories to author Steve Alten, who I knew was working on a new fictional thriller about the Loch Ness Monster. Steve is one of the few authors out there who "sweat" the details, and I knew whatever storyline he created would go far to bring my own theories to life.
