General Comment While some of Leonard Cohen's songs may be a little pessimistic and concerned with the trivial pursuits of the flesh, this one is lyrically optimistic and I like that. I think Cohen has some insight into spiritual things but struggles with hope. So this song it quite refreshing in it's hopefulness.

## ~~Leonard Cohen Lyrics~~

“The verses to Leonard Cohen’s most popular song, Hallelujah, change frequently over the half-century-long career that he left us. This always seemed faithful to his character, because his songs feel like a journal, kept as he aged, matured and desperately searched for the meaning of life.
