A 'loan shark' is someone who lends money without the appropriate licence issued by the Financial Conduct Authority. Loan sharks rarely, if ever, give any paperwork and if payments are missed they often use intimidation and violence to get money from their 'clients'. The Illegal Money Lending Team is here to help.

The cleansing of the Temple narrative tells of Jesus expelling the merchants and the money changers from the Temple, and occurs in all four canonical gospels of the New Testament. The scene is a common motif in Christian art. In this account, Jesus and his disciples travel to Jerusalem for Passover, where Jesus expels the merchants and consumers from the Temple, accusing them of turning the ...

In finance, a loan is the lending of money by one or more individuals, organizations, or other entities to other individuals, organizations etc. The recipient incurs a debt and is usually liable to pay interest on that debt until it is repaid as well as to repay the principal amount borrowed. The document evidencing the debt will normally specify, among other things, the principal amount of money borrowed, the interest rate the lender is charging, and the date of repayment. A loan entails the re

An overdraft is something a bank or lender can give you, as an extension of the money you already have. An overdraft means you can withdraw money beyond what you have in your bank account – so when your bank balance is showing as £0, your overdraft allows you to have some money, however this can be at a charge.
